Attention: Beverly A. Monroe

Dear Beverly,

European Patent Application No. 87 311430.0
Your Ref: PM 1267
Our File: 29136

I enclose a formal official action proposing an amended title.

I can understand that the Patent Office might regard the original title as failing to give a sufficiently clear indication as to the field in which the invention lay. I have no objection to the new title and do not propose to respond to the official letter, since our agreement will then be presumed.

Yours sincerely,

J. H. Bass
